Hi Josh. This are License Plate Readers. The Times recently did a story about them: https://santamariatimes.com/news/local/crime-and-courts/automatic-license-plate-readers-coming-to-santa-maria-after-city-council-approves-240k-request/article_2c72da0c-aec6-50f1-84b3-bb043c0d2aa7.html
Also, businesses interested in obtaining a License Plate Reader (camera) for their properties may do so for $2,500 per year. We've had significant interest.

Thank you.
Mark

Subject: Santa Maria Times/ Clarificaiton Question

*** EXTERNAL EMAIL: Please use caution when opening links or attachments.***

Good Morning,

I had a quick clarification about a comment that City Manager Jason Stilwell made during last night's council meeting. He noted the city is working with Caltrans to put in public safety devices on Main and Broadway. Could you provide an example of what devices those are, or a contact for who could help with that?

Thanks for your help,

Josh
